

# Socks & Sneakers for Haiti

If you've outgrown a pair of sneakers, and they are still in pretty good condition ... Bring them in and DONATE THEM !

If you have a pair or two of BRAND NEW, UNUSED Socks, and you already have enough to use ... Bring them in and DONATE THEM !

When you donate a pair of sneakers or socks, take a minute and write a special short note, and tuck it inside your donation. Write a note that shows you care even though you are far away from them. Write a note that shares with them your martial arts spirit, and the energy and ki that you send to them. Sign your note with YOUR FIRST NAME ONLY, and "Piscataway Martial Arts, NJ".

The Socks and Sneakers Drive will be active for the next few classes ending on Friday February 12, 2010. So bring in your donations when you come to attend class. Complete the form at the bottom of this page and submit it to Sensei Ray or Sensei Tracy each time you bring a donation.

Here's a bonus : Students that bring in the most Socks and Sneakers will receive an Automatic Invitation and No Test Fee for the next Promotion for Rank Test tentatively scheduled for the end of March. One student for each rank level will qualify, i.e. White Belt Group, Yellow Belt Group, Purple and Higher Group. You must bring in at least 3 Socks and 3 Sneakers to qualify.

Here's a hint : Everyone you know has socks or sneakers ... Dad, Mom, Aunt, Uncle, Grandma, Cousin, Teacher, Classmate, etc. Be courageous and ask them ... "I am helping send some relief to the children in Haiti who have been affected by the earthquake. Would you have a pair of new socks or sneakers that you could donate? Thank you so much"
